

REMARKS

This Amendment is submitted simultaneously with filing of the above identified application.

With the present application applicants have amended the specification to provide the headings in accordance with the requirements of the U.S. Patent Practice.

Original claim 1 has been canceled and replaced with new claim 2 which has a scope substantially corresponding to the scope of claim 1 but has been drafted also in accordance with the requirements of the U.S. Patent Practice.

A new abstract of the disclosure is provided therewith.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal

respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-243-3818).

Respectfully submitted,
